This high quality refill toner powder has been specifically developed for laser toner cartridges Samsung. By choosing this refill toner powder you can be sure that there is almost no difference between the original printout and the one with the usage of the refill one.

Each laser toner cartridge with reset chip has got a durability which depends on the reset chip ones. By changing this reset chip it gets back its maximum print capacity.

This complete Refill Kit is not an original product and was not produced by the printer's manufacturer. However, in tests it has frequently surpassed the manufacturer's original toner in efficiency and quality.

Please note:

This toner powder is not an original product and was not produced by the printer's manufacturer. However, in tests it has surpassed frequently the manufacturer's original toner in efficiency and quality. With this bulk toner, you can save up to 90% of printing costs, depending on your printer model.

If your device is not listed above and/or you are not sure which consumables fit it, [please contact us](#) and we will be happy to assist you in choosing the right product.
